

Try a little Wishbook Night.

A free paper-first ritual. No shopping, child account or paid kit is required for these activities.

Make the wishes about more than things

Sit together. Explain that wishes are ideas, not promises. Draw or write an answer to the prompts below. A grown-up can optionally open mywishbook.xyz; this paper page works on its own.

Something I would enjoy

Something I would like to do together

Something I could make or give

Keep completed wish pages private. Do not post a child's address, school, full name or photo publicly.

Keep one tiny detail.

Write, draw or ask a grown-up to capture your words.

One moment I liked

One thing I would like to do together again

For the grown-ups

Adult guidance is required. Adults handle scissors; choose activities that suit your group. Print on matching paper at 100% / Actual Size, single-sided. These write-in pages can be printed in grayscale. Personal household use only; do not resell or redistribute the files.
